A VISIT TO PORTRAIT ARTIST  
ROBIN DAMORE'S STUDIO**

**2013 SE 99TH CT.  
VANCOUVER, WA, 98664  
(Off the old Evergreen Highway  
between Lieser Rd. & Ellsworth Rd.)**

**WE WILL BE MEETING AT ROBIN DAMORE'S STUDIO THIS MONTH!** Robin uses a traditional oil painting style, and will be discussing that and showing some examples. The studio will have paintings to view.

Robin Damore is a painter and photographer. She has a lovely studio here in Vancouver. She accepts commissions from clients all over the country and travels to her subjects where she shoots resource photographs to be able to complete her work at her studio. She teaches painting workshops and private students. She studied with Russian Master, Leonid Gervits who taught at the Leningrad Academy in St. Petersburg, Russia.

The Meeting will start at 6:00 and everyone may bring one painting for show and tell.

**Site directions:**

After turning on 99th Ct., continue driving straight past the first cul-de-sac and go up the hill to turn right after the 2nd cul-de-sac. Her home/studio is at the end of the road. Not everyone will fit near the studio; so parking lower under the trees is acceptable.
