WHAT IS AI, AND WHAT IT MEANS FOR ARTISTS

Image produced by AI Midjourney using an Andrew Wyeth prompt.

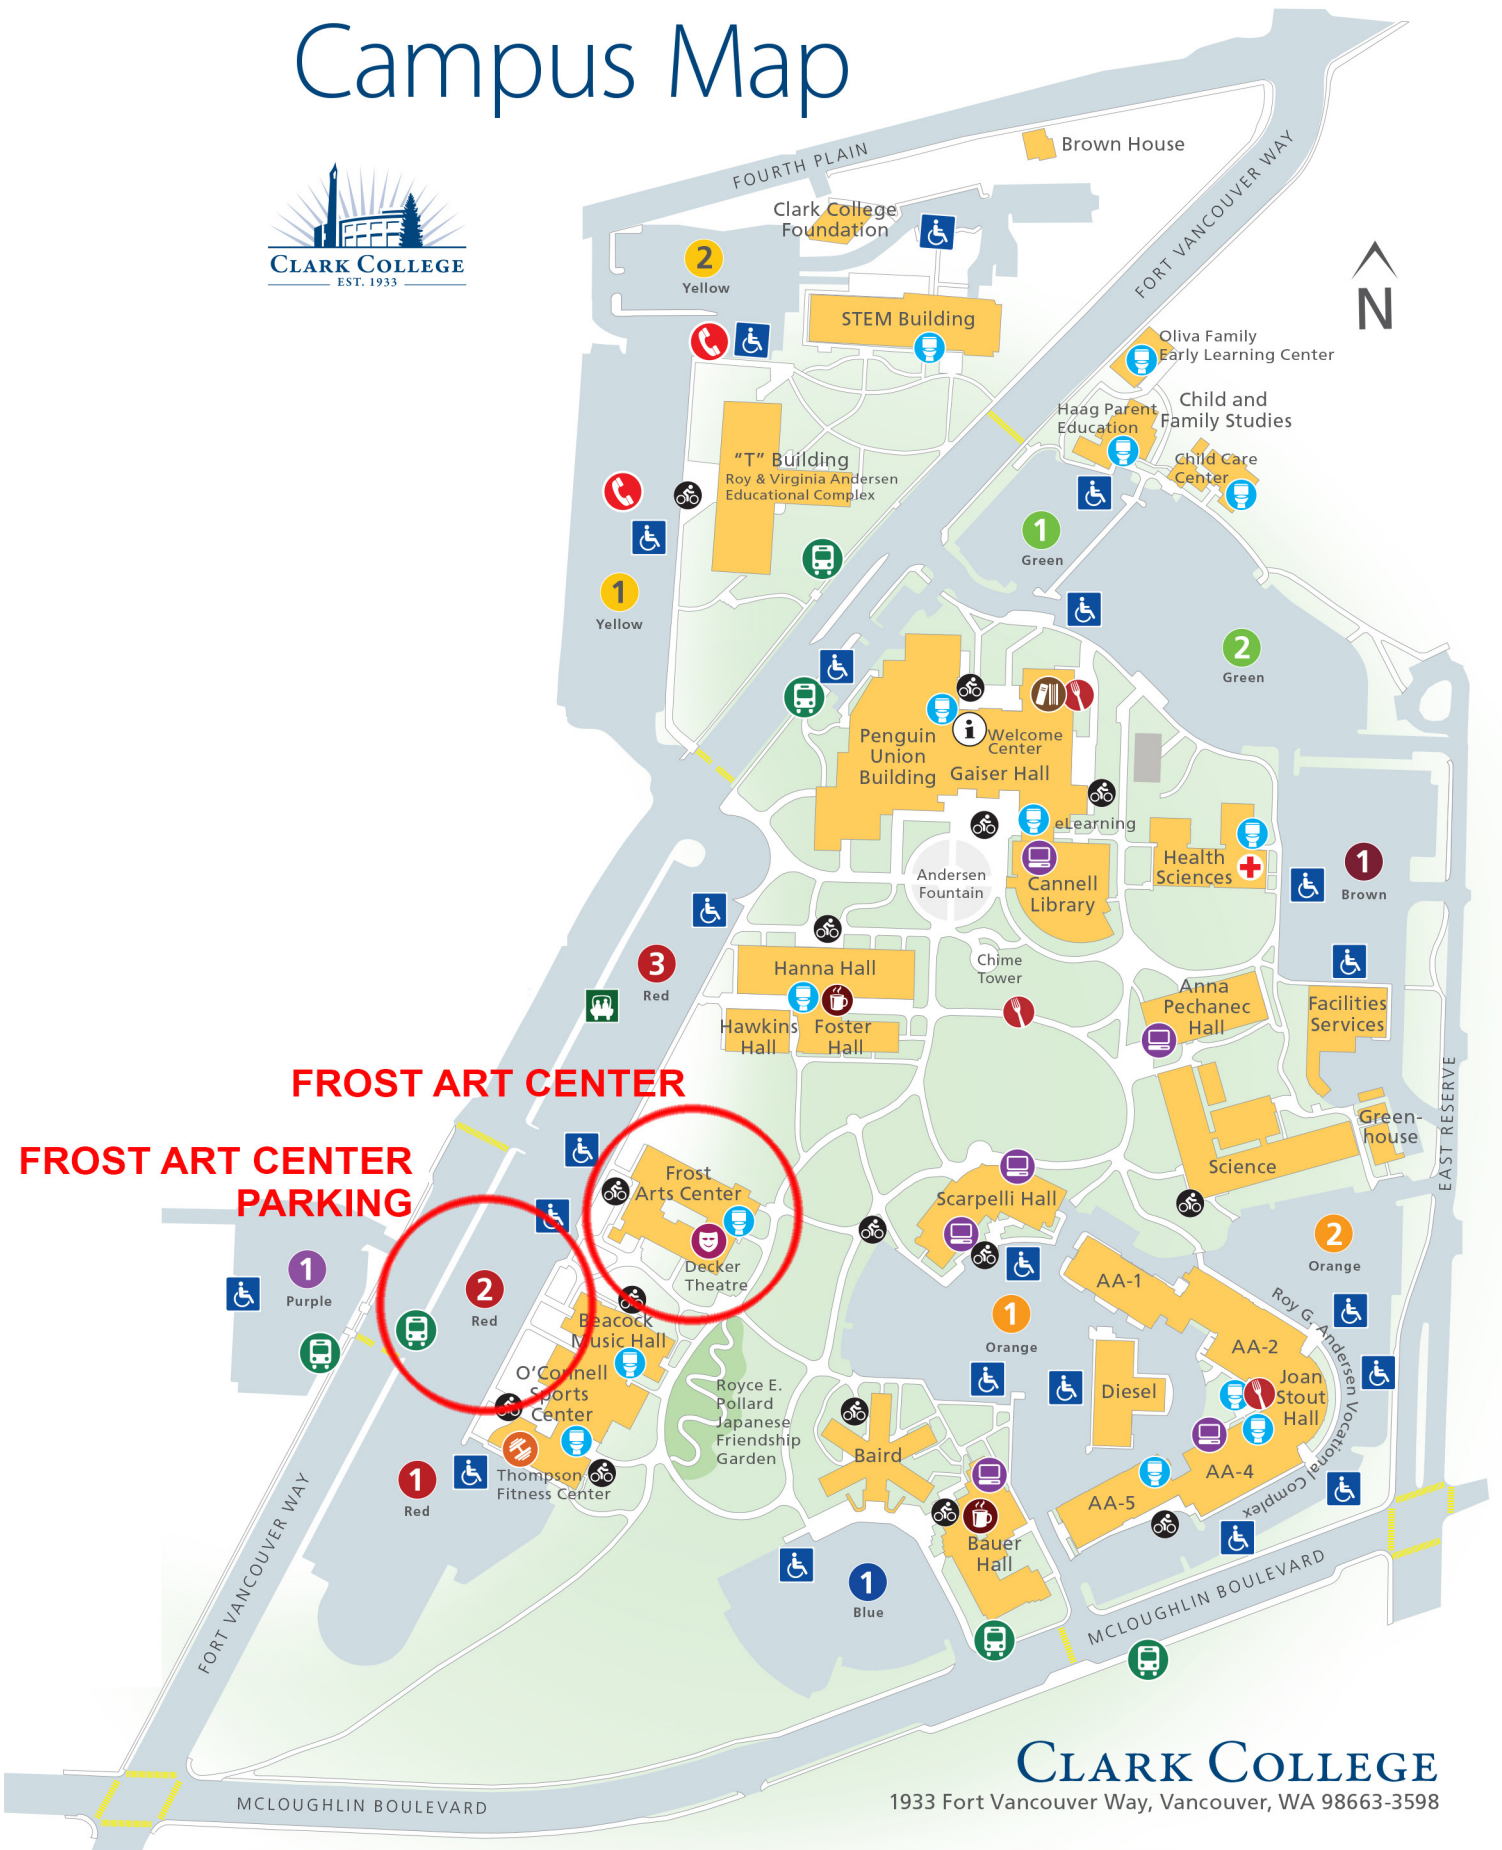

**RICHARD FERGUSON SHARES HIS RESEARCH INTO THIS
CONTROVERSIAL SUBJECT.
IT IS SURE TO BE A LIVELY DISCUSSION!**

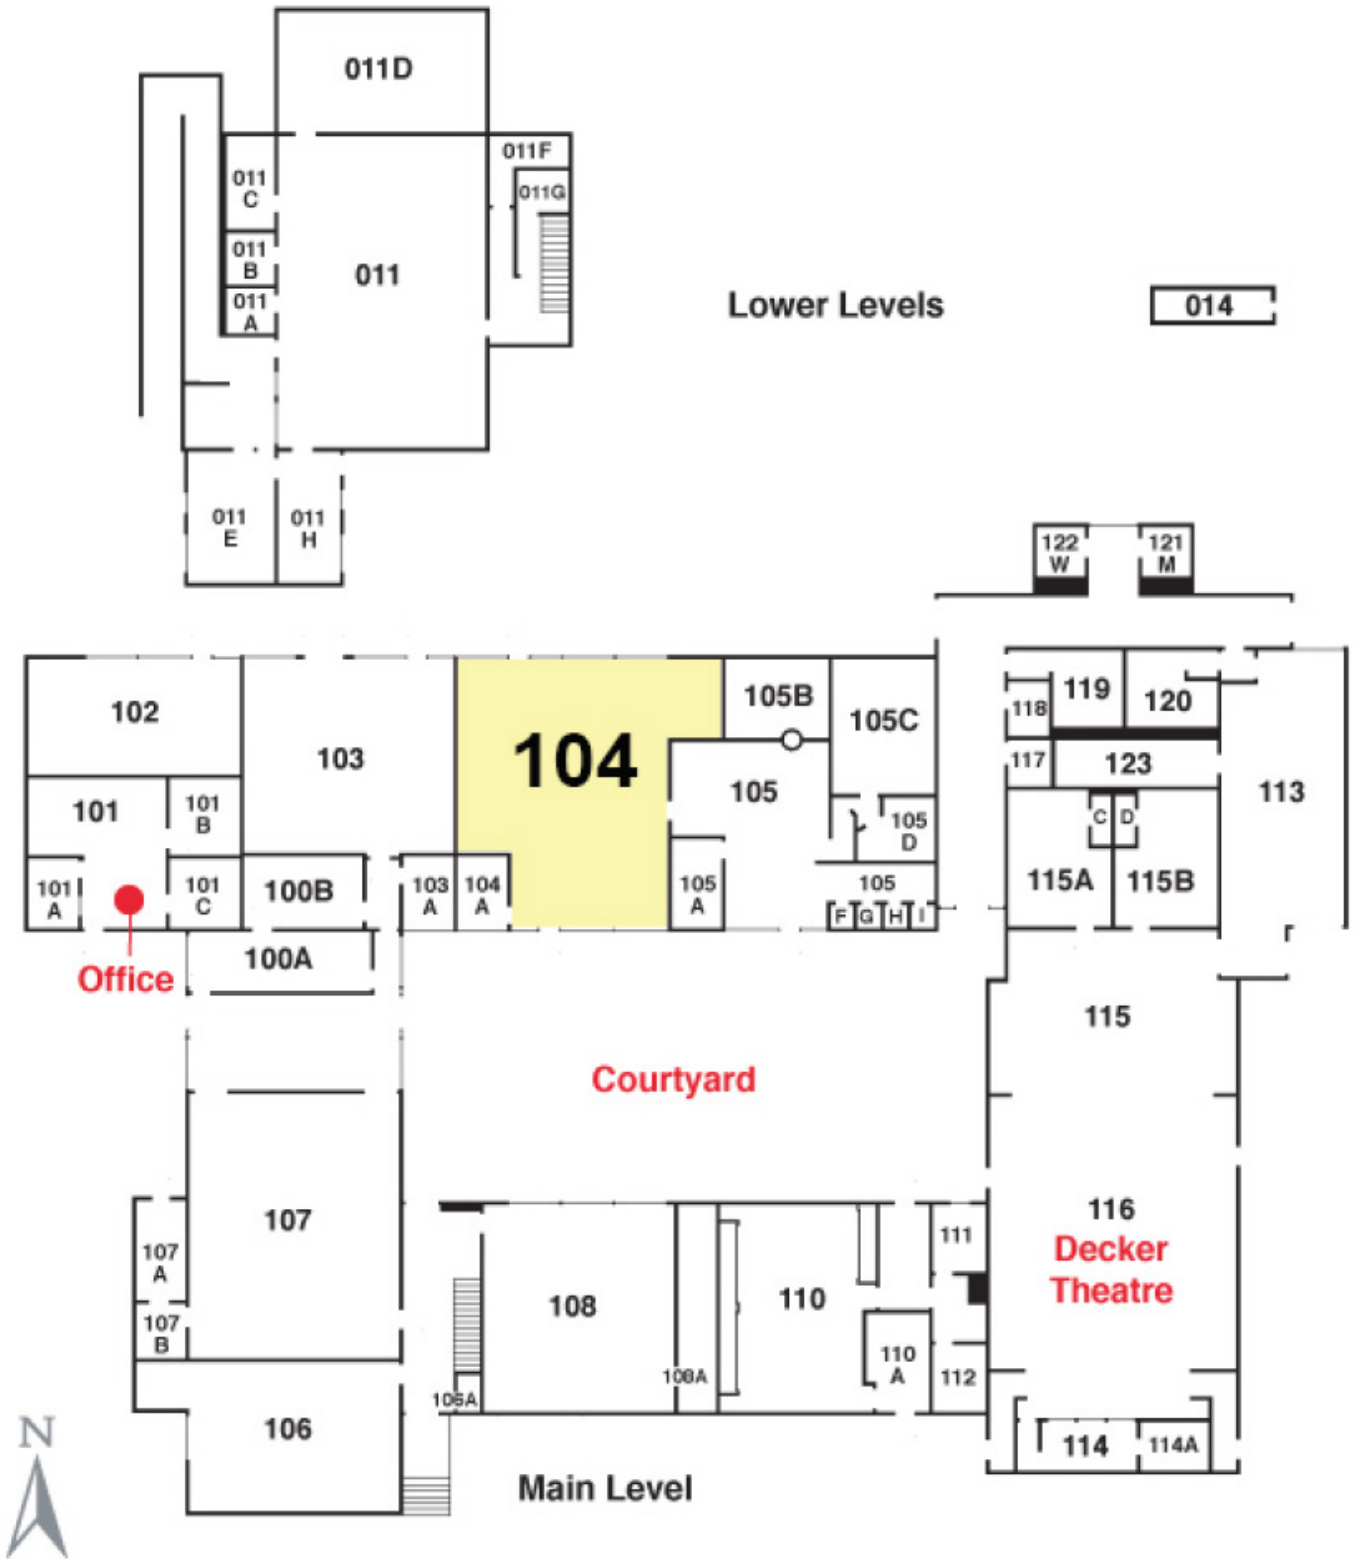

Artificial Intelligence, AI, is becoming pervasive and invading every aspect of our culture. This includes art.

Richard has been sifting through the vast amount of information and propaganda to understand what impact AI will have on Art and Artists. This presentation will report on what he has have found.

Remember to bring your current artworks for show and tell.
