**TUESDAY, JANUARY 20, 6:00 PM Zoom Meeting**

**JOIN US ON ZOOM FOR  
A LANDSCAPE PAINTING PRIMER:  
CARLSON'S GUILD TO LANDSCAPE PAINTING**

Art is a thing of the imagination. The underlying principles, the fundamentals, should be so hidden away by the beauty they are eventually to support, that it would require much digging to disclose them.

Cheryl Mathieson will be giving an informal slide presentation based on the foundational landscape painting book, Carlson's Guide to Landscape Painting by John F. Carlson. It's an absolute favorite recommendation by painting instructors for its practical accessibility for new painters and experienced, as well artful philosophy.

We will have time for an extended Show & Tell portion and look forward to seeing what you all have been working on! Send jpeg's to [kaystringfellow@gmail.com](mailto:kaystringfellow@gmail.com).
