## COME PAINT SUNFLOWES WITH LIZ PIKE...OR JUST PAINT ALONG WITH WHAT YOU ARE WORKING ON TUESDAY, APRIL 21

Gallery owner and artist Liz Pike will be sharing her techniques and process for painting in oils. Bring your paints and supplies to paint along, or just paint what you are working on with the group.

To paint along, here is the palette Liz uses in her sunflowers...  
burnt umber, cadmium yellow pale hue, alizarin crimson,  
burnt sienna, sap green and white.

Looking forward to a lively night at NOPG.

Be sure to bring your current work for show and tell!
