Bring your painting supplies— paint brushes, palette, etc.

6x6 canvases will be provided.

Bring your reference material to paint from. Print out, or Ipad with photos.

The sky is the limit! Have fun with it!

Also, for November we will be doing a painting from a black & white photo reference...
we will all paint the same thing, but convert the BW image to COLOR.
It will be fun to see how differently we interpret this...

So bring a reference image, we will vote on the image that everyone will paint.

**** Be sure to bring your current work for show and tell! ****
